LeetCode

SUMMARY

Motivated B.Sc. Computer Science graduate with hands-on experience in Python development, web development, Data Structures, and database management. Skilled in building responsive web applications, API integration, and developing real-world software solutions. Currently strengthening problem-solving abilities through Data Structures and Algorithms (DSA). Passionate about building scalable applications and continuously learning modern technologies.

EXPERIENCE

Web Development Intern | Moolji Jaitha College, Jalgaon **July, 2025 – March, 2026t**

- Developed and contributed to an Examination Management System using HTML, CSS, JavaScript, PHP, and MySQL.
- Improved practical understanding of frontend development, backend integration, database connectivity, and software deployment.

PROJECTS

Examination Remuneration Billing System

Tech Stack : HTML, CSS, JavaScript, PHP, MySQL

- Developed a billing and remuneration management system to streamline examination payment workflows and automate remuneration calculations.
- Built responsive administrative dashboards for managing examiner records, payment details, and billing processes.

Chat Application

Tech Stack : Python (Flask), Ollama, HTML, CSS, JavaScript

- Built an interactive chat-based application focused on user communication, automation, and intelligent response systems.
- Enhanced understanding of Python development, user interaction systems, and application architecture.

SKILLS

- Programming Languages :** Python, C, C++, Java, JavaScript, PHP, SQL
- Web Technologies :** HTML5, CSS3, JavaScript, Responsive Web Design
- Python Libraries & Tools :** Pandas, Jupyter Notebook, API Integration
- Databases :** MySQL
- Developer Tools :** GitHub, VS Code, Netlify, Git, Jupyter Notebook
- Core Concepts :** Data Structures & Algorithms (DSA), OOP, Database Management Systems, Problem Solving

EDUCATION

- | | |
|--|----------------------------------|
| B.Sc Computer Science Moolji Jaitha College, Jalgaon | SGPA: 10.00 Percentage: 92.00% |
| XII State Board Swami Vivekanand Junior College, Jalgaon | Score: 65.33% Feb 2023 |
| X State Board New English Medium School, Jalgaon | Score: 82.00% Mar 2021 |

RESEARCH & CERTIFICATIONS

Research Project : Comparative Study of Data Sent Over Network in English and Sanskrit

- Research-oriented project exploring Sanskrit's computational and data transmission potential.
- Applied Java for implementation and analysis.
- Certifications :** AWS S3 Basics
